

Table of Contents

1. Environment, Habitat and Ecosystem..... 23

1.1. Environment.....	23
1.2. Habitat.....	23
1.2.1. Difference Between Habitat and Environment	24
1.3. Ecosystem.....	24
1.3.1. Classification of Ecosystems	24
1.3.2. Difference Between Ecology, Environment, Habitat & Ecosystem.....	25
1.4. Components of an Ecosystem	26
1.4.1. Abiotic Components	27
1.4.2. Effect of Abiotic Components on Terrestrial Primary Producers (Plants)	29
1.4.3. Biotic Components	30

1. Ecology – Principles and Organizations 31

1.1. Levels of Organizations in Ecology	31
1.1.1. Individual and Species	31
1.1.2. Population.....	33
1.1.3. Community	33
1.1.4. Ecosystem	33
1.1.5. Biome.....	35
1.1.6. Biosphere.....	37
1.2. Principles of Ecology	38
1.2.1. Adaptation	38
1.2.2. Variation	39
1.2.3. Speciation	40
1.2.4. Mutation	40
1.2.5. Natural Selection	40
1.2.6. Evolution.....	41
1.2.7. Extinction	41

2. Functions of an Ecosystem..... 44

2.1. Ecological Succession	44
2.1.1. Stages in Ecological Succession	44
2.1.2. Primary Succession	44
2.1.3. Secondary Succession	46
2.1.4. Autogenic and Allogenic Succession	47
2.1.5. Succession in Plants	47
2.1.6. Succession in Water.....	48
2.2. Homeostasis in Ecosystem.....	48

2.2.1. Homeostasis	49
--------------------------	----

3. Energy Flow Through an Ecosystem – Trophic Levels 51

3.1. Food Chain	52
3.1.1. Grazing food chain	52
3.1.2. Detritus food chain	52
3.2. Food Web	54
3.2.1. Types of Biotic Interactions in a Food Web	55
3.3. Ecological Pyramids.....	58
3.3.1. Pyramid of Numbers.....	58
3.3.2. Pyramid of Biomass	60
3.3.3. Pyramid of Energy.....	62
3.3.4. Limitations of Ecological Pyramids	63
3.3.5. Biomagnification – Pollutants and Trophic Level.....	63

4. Biogeo Chemical Cycling or Nutrient Cycling 66

4.1. Types of Nutrient Cycles.....	66
4.2. Carbon Cycle (Gaseous Cycle).....	66
4.2.1. Steps in Carbon Cycle	66
4.3. Nitrogen Cycle (Gaseous Cycle).....	69
4.3.1. Nitrogen Fixing – Nitrogen to Ammonia (N ₂ to NH ₃)	70
4.3.2. Nitrification – Ammonia to Nitrates	70
4.3.3. Ammonification – Urea, Uric Acid to Ammonia.....	71
4.3.4. Denitrification – Nitrate to Nitrogen	71
4.4. Methane (CH₄) Cycle (Compound Gaseous Cycle).....	74
4.4.1. Natural Sources of Methane Emissions	75
4.4.2. Human Sources of Methane Emissions	76
4.4.3. Methane Sink.....	78
4.5. Phosphorus Cycle (Sedimentary cycle).....	79
4.6. Sulphur Cycle (Sedimentary cycle).....	80
4.6.1. Steps in Sulphur Cycle.....	80

5. Natural Ecosystems..... 83

5.1. Terrestrial Ecosystems or Biomes.....	83
5.1.2. Tundra Biome	84
5.1.3. Taiga or Boreal Biome.....	85
5.1.4. Temperate Deciduous Biome (North-Western Europe – British Type Climate)	86
5.1.5. Temperate Rainforest Biome.....	86
5.1.6. Sub-Tropical Deciduous Biome in Eastern China, South-eastern USA.....	86
5.1.7. Steppe or Temperate Grassland Biome	86

5.1.8. Temperate Deciduous Biome (Mediterranean Climate)	86
5.1.9. Tropical Deciduous Biome (Monsoon Climate)	87
5.1.10. Savanna or Tropical Wet and Dry Biome	87
5.1.11. Tropical Rainforest Biome	87
5.1.12. Desert Biome	93
5.2. Aquatic Ecosystems	93
5.2.1. Aquatic Organisms	94
5.2.2. Factors Limiting the Productivity of Aquatic Habitats	95
5.3. Ecosystem Services & Goods	96
5.3.1. Quantifying the Economic Value of Natural Ecosystems (Ecosystem valuation)	97
5.3.2. The Economics of Ecosystems and Biodiversity (TEEB)	98
5.3.3. Payment for Ecosystem Services (PES)	99
5.3.4. Ecosystem Services by Seagrass	100
5.3.5. Ecosystem Services by Seaweed	102
6. Wetland Ecosystem.....	105
6.1. Differences Between Wetlands and Lakes.....	106
6.2. Estuarine Wetland Ecosystem.....	107
6.2.1. Importance of Estuaries.....	108
6.2.2. Differences between Lagoon and Estuary	109
6.2.3. Estuarine Vegetation	109
6.2.4. Indian Estuarine Ecosystem	109
6.2.5. Issues of Indian Estuarine Ecosystem	110
6.3. Mangroves	110
6.3.1. Adaptive Mechanism of Mangroves.....	110
6.3.2. Mangroves in India	111
6.3.3. Global Status of Mangrove Cover	115
6.3.4. Importance of mangroves	116
6.3.5. Threats to Mangroves and Associated Consequences	118
6.4. Importance of Wetlands	120
6.5. Reasons for the Depletion of Wetlands.....	121
6.5.1. Mitigation of Wetland Destruction.....	122
6.6. Measures to Protect Wetlands	122
6.6.1. Wetlands International.....	122
6.6.2. National Plan for Conservation of Aquatic Eco-systems (NPCA)	123
6.6.3. Wetlands (Conservation and Management) Rules 2010	123
6.6.4. Wetlands (Conservation & Management) Rules 2017	124
6.6.5. Ramsar Convention on Wetlands	125
6.6.6. Ramsar Site	128
6.6.7. Ramsar Sites of India	130
6.6.8. Largest and Smallest and Oldest Ramsar Sites of India	140

7. Evolution of the Biosphere 141

7.1. Hadean Eon 143
7.2. Archean Eon 144
7.3. Proterozoic Eon..... 144
 7.3.1. Events that Can Cause Global Cooling 145
7.4. Phanerozoic Eon 145
 7.4.2. Paleozoic Era 146
 7.4.3. Mesozoic Era 149
 7.4.4. Cenozoic Era 153
 7.4.5. Anthropocene epoch 156

8. Biodiversity and Loss of Biodiversity 158

8.1. Definitions 158
 8.1.1. Biodiversity 158
 8.1.2. Genetic diversity 159
 8.1.3. Species diversity 160
 8.1.4. Ecological diversity 160
 8.1.5. Endemism 160
 8.1.6. Bioprospecting & Biopiracy 160
 8.1.7. Types of Species..... 161
8.2. Importance of a Healthy Biodiversity 161
8.3. Causes for the Loss of Biodiversity 164
 Global Assessment Report on Biodiversity and Ecosystem Services 2019 164
 8.3.2. Habitat Loss and Fragmentation..... 165
 8.3.3. Alien Species Invasions 167
 8.3.4. Over-exploitation 172
 8.3.5. Species Extinction 172
 8.3.6. Genetically Modified Organisms (GMO/Transgenic Organism) 173
 8.3.7. Trade in Wildlife..... 174
 8.3.8. Pollution and Climate Change 174
8.4. Consequences of Loss of Biodiversity 174
 8.4.1. Affects Livelihood 175
 8.4.2. Human-Animal Conflict..... 175
 8.4.3. Increased Zoonoses due to Habitat Loss 179
 8.4.4. Adverse Changes to Biotic Interactions 179

9. Biodiversity Conservation 180

9.1. In situ conservation 180
 9.1.1. Reserved & Protected Forests 180
 9.1.2. Wildlife Sanctuaries or Wildlife Refuges..... 181

9.1.3.	Biosphere Reserve	181
9.1.4.	National Park	182
9.1.5.	Eco-Sensitive Zones (ESZs) or Ecologically Fragile Areas (EFAs)	182
9.1.6.	Conservation Reserves	184
9.1.7.	Community Reserves	184
9.1.8.	Sacred Groves	184
9.2.	Ex Situ Conservation.....	185
9.2.1.	Botanical Garden	185
9.2.2.	Zoo	185
9.3.	National Efforts and Initiatives for Biodiversity Conservation.....	186
9.3.1.	Wildlife Mitigation Measures – Eco-Bridges or Eco-Ducts	186
9.3.2.	Quarantine Centres to Check Invasive Species.....	187
9.3.3.	Preservation of Western Ghats and Eastern Ghats	187
9.3.4.	Historic Citizen Movements to Conserve Biodiversity.....	189
9.4.	International Efforts and Initiatives for Biodiversity Conservation	191
9.4.1.	UN Convention on Biological Diversity (CBD)	191
9.4.2.	World Heritage Sites.....	195
9.4.3.	Man and Biosphere Programme (MAB programme).....	196
9.4.4.	Decade on Ecosystem Restoration	196
9.4.5.	Global Partnership on Forest and Landscape Restoration (GPFLR).....	196
9.4.6.	United Nations Strategic Plan for Forests 2017–2030.....	197
9.4.7.	Biodiversity Finance Initiative (BIOFIN)	197
9.5.	Biodiversity Hot Spots	198
9.5.1.	Biodiversity Hotspots in India	199
9.5.2.	Hope Spots.....	200

10. Wildlife Conservation – Part I202

10.1.	Regulating Trade in Wildlife.....	202
10.1.1.	Convention on International Trade in Endangered Species of Wild Fauna & Flora (CITES)	202
10.1.2.	The 18 th Conference of the Parties to CITES (CoP18)	204
10.1.3.	Monitoring the Illegal Killing of Elephants (MIKE)	205
10.1.4.	The Wildlife Trade Monitoring Network (TRAFFIC)	206
10.1.5.	Coalition Against Wildlife Trafficking (CAWT).....	206
10.1.6.	Policies and Laws Concerning CITES in India	207
10.2.	Convention on Migratory Species (CMS).....	209
10.2.1.	Classification of Species Under CMS.....	209
10.2.2.	CMS COP13	209
10.2.3.	Central Asian Mammals Initiative.....	210
10.3.	International Union for Conservation of Nature (IUCN)	210
10.3.1.	IUCN Red List or Red Data List or Red Book.....	211
10.3.2.	BirdLife International	213

10.4.	Tiger Conservation.....	213
10.4.1.	Threats Faced by Tiger Population	214
10.4.2.	Measures Taken by the Government for Tiger Conservation	214
10.4.3.	Project Tiger (PT)	215
10.4.4.	Core and Buffer Zones in Tiger Reserves	216
10.4.5.	Tiger Task Force	217
10.4.6.	National Tiger Conservation Authority (NTCA).....	217
10.4.7.	Tiger corridors in the country	218
10.4.8.	Tiger Census.....	219
10.4.9.	2018 Tiger Census Report.....	221
10.4.10.	International Efforts Towards Tiger and Snow Leopard Conservation	225
10.5.	Conservation of Snow Leopard.....	229
10.5.1.	Project Snow Leopard.....	229

11. Wildlife Conservation – Part II.....231

11.1.	Elephant Conservation	231
11.1.1.	Difference between African Elephant and Asian Elephant.....	231
11.1.2.	Difference between African Forest Elephant and African Savanna Elephant.....	232
11.1.3.	Ecological Importance of Elephants.....	233
11.1.4.	Project Elephant	233
11.1.5.	Elephant Corridor	233
11.1.6.	Haathi Mere Saathi.....	235
11.1.7.	Asian Elephant Alliance.....	236
11.1.8.	IUCN Asian Elephant Specialist Group (AsESG).....	236
11.2.	Conservation of India’s Greater One-Horned Rhinoceros.....	237
11.2.1.	Rhino Species Across the World	237
11.2.2.	India’s Greater One-Horned Rhinoceros (Indian Rhino).....	237
11.2.3.	India Rhino Vision (IRV) 2020	238
11.2.4.	Evaluation of IRV 2020.....	238
11.3.	Conservation of the Dolphin Species Found in Indian Waters	239
11.3.1.	South Asian River Dolphin (<i>Platanista gangetica</i>).....	239
11.3.2.	Irrawady Dolphin (<i>Orcaella brevirostris</i>).....	241
11.3.3.	Project Dolphin (Proposed)	242
11.3.4.	Ganges River Dolphin Conservation Measures by India	242
11.4.	Conservation of India Crocodile Species	242
11.4.1.	Crocodile Species in India	242
11.4.2.	Indian Crocodile Conservation Project	244
11.4.3.	Madras Crocodile Bank Trust.....	245
11.5.	Conservation of Sea Turtles	245
11.5.1.	Turtle Species of India	245
11.5.2.	Sea Turtle Conservation Project	250

11.6.	Conservation of Indian Vultures.....	250
11.6.1.	Diclofenac and Indian Vulture Crisis	250
11.6.2.	Conservation Status of India Vultures	251
11.6.3.	Steps taken by the Government.....	253
11.7.	Other National Efforts Towards Wildlife Conservation.....	255
11.7.1.	Hangul Conservation Project (HCP) or Project Hangul (Kashmiri stag)	255
11.7.2.	Integrated Development of Wildlife Habitats (IDWH).....	255
11.7.3.	Animal Welfare Board of India (not to be confused with National Board for Wildlife).....	256
11.7.4.	National Wildlife Action Plan (NWAP) 2017-2031	258
11.7.5.	National Action Plan for Conservation of Migratory Birds (2018 – 2023)	259
11.7.6.	Green Good Deeds Initiative	259
11.7.7.	Bombay Natural History Society.....	260
11.8.	International Efforts Towards Wildlife Conservation	260
11.8.1.	World Wildlife Fund for Nature (WWF).....	260
11.8.2.	International Whaling Commission	262
11.8.3.	Evolutionarily Distinct and Globally Endangered Species (EDGE SPECIES).....	262

12. India State of Forest Report 2019 (ISFR 2019) 263

12.1.	Forest Survey of India (FSI).....	263
12.1.1.	Objectives of FSI	263
12.1.2.	The major activities of FSI.....	263
12.2.	Important Terms.....	263
12.3.	The summary of the key findings of ISFR 2019	264
12.4.	Major Information from India State of Forest Report 2019 (ISFR 2019)	265
12.4.1.	Forest Cover.....	266
12.4.2.	Recorded Forest Area (RFA).....	270
12.4.3.	Tree Cover.....	273
12.4.4.	Tress Outside Forests (TOF).....	273
12.4.5.	Forest and Tree cover of India in 2019	273
12.4.6.	Forest resources in the world	274
12.4.7.	Sustainable Development Goals and ISFR 2019	275
12.4.8.	Forest Types and Biodiversity	275
12.4.9.	Fire Proneness categories and criteria	279
12.4.10.	National Forest Inventory	279
12.5.	Global Forest Resources Assessment 2020.....	285
12.5.1.	Findings of the Report	285
12.6.	National Forest Policy of India	286
12.6.1.	National Forest Policy 1998.....	286
12.6.2.	Draft National Forest Policy 2018.....	286
12.7.	Afforestation Programmes	287
12.7.1.	National Afforestation Programme (NAP)	287

12.7.2. Compensatory Afforestation (CA)	289
12.7.3. Aerial Seeding for Reforestation.....	292
12.8. Government Initiatives to Promote Bamboo in India	292
12.8.1. National Bamboo Mission.....	293

13. Global Environmental Issues and Environmental Degradation 295

13.1. Major Causes of Environmental Degradation	295
13.1.1. Pollution.....	295
13.1.2. Damage to ecology and biodiversity	296
13.2. Consequences of Environmental Degradation	296
13.3. Human Modified Ecosystems and Environmental Degradation	296
13.3.1. Characteristics of human-modified ecosystems.....	297
13.3.2. Agroecosystems.....	297
13.3.3. Plantation Forest	297
13.3.4. Aquaculture	298
13.3.5. Dams, Reservoirs and Diversions.....	299
13.4. Coral Bleaching or Coral Reef Bleaching due to Environmental Degradation	301
13.4.1. Coral Reefs.....	301
13.4.2. Ideal Conditions for Coral Growth	301
13.4.3. Corals and Zooxanthellae	302
13.4.4. Causes for Coral Bleaching or Coral Reef Bleaching	302
13.4.5. Ecological Causes of Coral Bleaching.....	304
13.4.6. Australia's Great Barrier Reef	305
13.4.7. India's Coral Reefs	306
13.5. Environmental Issues in the Himalayas.....	307
13.5.1. Degradation of Himalayan Environment	307
13.5.2. Development	307
13.5.3. Climate change/global warming.....	308
13.5.4. Initiatives to save Himalayan Environment	308
13.5.5. Measures That Can Be Taken to Protect the Himalayan Ecosystem	309

14. Air Pollution..... 311

14.1. Air Pollution	311
14.1.1. Classification of Pollutants.....	311
14.1.2. Noise Pollution.....	312
14.1.3. Major Causes of Air Pollution	313
14.2. Major Air Pollutants	317
14.2.1. Particulate Pollutants	317
14.2.2. Fly ash	318
14.2.3. Nanoparticles (NPs)	320
14.2.4. Black Carbon (Soot) and Himalayan Glaciers.....	321

14.2.5. Carbon monoxide (CO)	322
14.2.6. Carbon dioxide (CO ₂)	323
14.2.7. Ozone (O ₃)	323
14.2.8. Stratospheric Ozone Depleting Substances	325
14.2.9. Nitrogen oxides (Oxides of Nitrogen) (NO _x).....	326
14.2.10. Sulphur dioxide (SO ₂)	327
14.2.11. Volatile organic compounds (VOCs).....	328
14.2.12. Benzene.....	329
14.3. Minor Air Pollutants	331
14.3.1. Lead	331
14.3.2. Ammonia (NH ₃).....	331
14.3.3. Ethylene.....	332
14.3.4. Asbestos.....	332

15. Effects of Air Pollution334

15.1. Air Pollution is the 4th Greatest Killer – State of Global Air 2020.....	334
15.1.1. Occupational Health Hazards	334
15.2. Smog (smoke + fog).....	335
15.2.1. Sulphurous smog	335
15.2.2. Photochemical smog.....	336
15.2.3. Haze	337
15.2.4. Effects of Smog	337
15.3. Acid Rain – Acidification	338
15.3.1. The pH scale.....	338
15.3.2. Gases that cause acid rain	338
15.3.3. Types of Acid Deposition	339
15.3.4. Chemistry of Acid Rain.....	339
15.3.5. Harmful Effects of Acid Rain	340
15.3.6. Acid Rain Areas	341
15.3.7. Acid Rain Control	342
15.4. Ocean Acidification.....	342
15.4.1. Other contributors.....	342
15.4.2. Effects of Ocean Acidification	343
15.5. Aerosols from Air Pollution and their Impact on Monsoon Rainfall.....	344
15.5.1. Aerosols	344
15.5.2. Impact of Aerosols on Monsoon.....	345
15.5.3. Asian Tropopause Aerosol Layer (ATAL) – Negatively Affects Indian Monsoon.....	348
15.5.4. Impact of Aerosols on Regional Rainfall Patterns.....	348
15.5.5. Summary.....	349
15.6. Ozone Depletion	350
15.6.1. Halogen Atoms Like Chlorine Destroy Ozone	350

15.6.2. Polar Vortex Acts as the Transportation System for Halogens	351
---	-----

16. Prevention and Control of Air Pollution354

16.1. Control of Industrial Pollution.....	354
16.1.1. Filters	354
16.1.2. Electrostatic precipitators (ESP)	354
16.1.3. Inertial collectors	355
16.1.4. Scrubbers	355
16.1.5. Catalytic converter.....	355
16.1.6. Pollution Index to Control Industrial Pollution	356
16.1.7. Coal Gasification	356
16.2. Measures Taken to Control Vehicular Pollution in India.....	357
16.2.1. BS VI from 2020	358
16.2.2. Electric Mobility.....	359
16.2.3. Green Tax on Old Vehicles.....	361
16.3. National Clean Air Program (NCAP)	361
16.4. National Air Quality Monitoring Programme	362
16.4.1. National Ambient Air Quality Standards (NAAQS).....	363
16.4.2. SAFAR System for Monitoring Air Pollutants.....	363
16.4.3. National Air Quality Index (AQI)	364
16.5. Measures Taken to Control Air Pollution in the National Capital Region	365
16.5.1. Graded Response Action Plan (GRAP)	365
16.5.2. Smog Towers	367
16.6. Emissions Trading Scheme (ETS) by Gujarat for Trading in Particulate Matter.....	368
16.6.1. How does Emission Trading Scheme (ETS) work?	368
16.7. Pradhan Mantri Ujjwala Yojana to reduce Household Pollution.....	368
16.7.1. Prevention and Control of Indoor Air Pollution.....	369
16.8. Other Measures.....	369
16.8.1. Green crackers	369
16.8.2. Government Initiatives to Reduce SO ₂ emissions.....	369
16.9. National & International Measures to Regulate Ozone Depleting Substances.....	370
16.9.1. Vienna Convention for the Protection of the Ozone Layer	370
16.9.2. Kigali Amendment to Montreal Protocol 2016.....	371
16.9.3. HFO Alternatives to HFCs.....	372
16.9.4. The Ozone Depleting Substances (ODS) Rules.....	373

17. Water Pollution and Marine Pollution374

17.2. Causes of Water Pollution.....	374
17.2.1. Sewage Water	374
17.2.2. Industrial Wastes	375

17.2.3. Agricultural Sources.....	376
17.2.4. Thermal and Radiation Pollution.....	376
17.2.5. Invasive species.....	377
17.2.6. Ground Water Pollution.....	377
17.2.7. Freshwater Salinization Syndrome (FSS).....	380
17.3. Marine Pollution.....	382
17.3.1. Oil Spills.....	382
17.3.2. Marine plastic pollution.....	383
17.3.3. Convention on Dumping of Wastes at Sea.....	383
17.3.4. The United Nations Convention on Law of the Sea.....	385
17.3.5. International Maritime Organization.....	386

18. Water Pollution Effects and Control Measures387

18.1. Effects of Water Pollution.....	387
18.1.1. Effects of Water Pollution on Human Health.....	387
18.1.2. Effects of Water Pollution on the Environment.....	387
18.1.3. Effects of Water Pollution on Aquatic Ecosystem.....	387
18.1.4. Eutrophication – Ageing of Lakes.....	388
18.1.5. Eutrophication and Algal Bloom.....	389
18.1.6. Effects of Eutrophication.....	391
18.1.7. Blue Tide.....	393
18.2. Water Pollution Control Measures.....	394
18.2.1. Bioremediation.....	395
18.2.2. Sewage Water Treatment for Domestic Use.....	397
18.2.3. Bio-Toilets.....	399
18.2.4. Swachh Bharat Mission.....	403
18.2.5. Swachh Bharat Mission II.....	404
18.2.6. Riparian buffers for Mitigation of Eutrophication.....	404

19. Radioactive Pollution406

19.1. Ionizing and Non-Ionizing Radiation.....	406
19.2. Non-Ionizing Radiation.....	407
19.2.1. Impact of Non-Ionizing Radiation from Mobile Phone Towers.....	407
19.3. Ionising Radiation.....	408
19.3.1. Biological Damage Due to Ionizing Radiation.....	408
19.3.2. Radiation Dose.....	409
19.3.3. The Damage Potential of Radiation Particles.....	409
19.4. Accidents at Nuclear Power Plants.....	409
19.5. Safe Disposal of Nuclear Wastes.....	410
19.5.1. Some Proposed Methods of Disposing Nuclear Waste.....	410

20. Solid Wastes411

20.1. Sources of Solid Waste	411
20.1.1. Industrial solid wastes	411
20.1.2. Residential and Commercial Waste	412
20.1.3. Bio-Medical Waste.....	412
20.1.4. Plastics and Micro-Plastics.....	413
20.2. Effects of Plastic Waste	414
20.2.1. Impact on Environment	414
20.2.2. Other Impacts	414
20.3. Issues with Treatment & Disposal of Solid Waste	415
20.3.1. Open dumps	415
20.3.2. Landfills.....	415
20.3.3. Sanitary landfills.....	415
20.3.4. Incineration plants.....	415
20.3.5. Pyrolysis.....	416
20.3.6. Composting.....	416
20.3.7. Vermiculture	416
20.3.8. Waste to Energy Plant	416
20.4. Measures Taken to Manage Solid Waste	417
20.4.1. Solid Waste Management Rules (2016).....	417
20.4.2. Bio-Medical Waste (Management and Handling) Rules, 2016	420
20.4.3. Waste Minimization Circles (WMC).....	421
20.4.4. Composite Waste Management Index: 2.0	421

21. Hazardous Waste422

21.1. Persistent Organic Pollutants (POPs)	422
21.1.1. Regulation of Persistent Organic Pollutants Rules, 2018	424
21.1.2. Chlorinated Hydrocarbons (Organochlorides / Perfluoro Chlorides)	424
21.1.3. Perfluoroalkyl Acids (PFAAs).....	425
21.1.4. Endosulfan	425
21.2. Laws, Conventions and Rules that Regulate Hazardous Waste	427
21.2.1. Stockholm Convention on Persistent Organic Pollutants	427
21.2.2. Basel Convention	427
21.2.3. Rotterdam Convention	428
21.2.4. Joint meetings of Basel, Rotterdam, and Stockholm Conventions.....	429
21.2.5. Hong Kong Convention	430
21.2.6. Recycling of Ships Bill.....	430
21.2.7. Hazardous Wastes (Management and Handling) Rules, 2016.....	431
21.2.8. Rules for Disposal of Cigarette Butts	432

22. Electronic waste | E-WASTE433

22.1.	Source and Health Effects	433
22.2.	E-Waste to Increase by 2030.....	434
22.2.1.	E-Waste in India.....	435
22.3.	Heavy Metal Toxicity & Methods of Their Prevention.....	435
22.3.1.	Lead	436
22.3.2.	Mercury	437
22.3.3.	Arsenic	437
22.3.4.	Cadmium.....	437
22.3.5.	Other Heavy Metals.....	438
22.4.	E-Waste Management Rules, 2016.....	438

23. Land Degradation441

23.1.	Major Causes for Land Degradation.....	442
23.1.1.	Deforestation.....	442
23.1.2.	Overgrazing.....	443
23.1.3.	Faulty Methods of Agriculture.....	443
23.1.4.	Soil Salinity and Soil Alkalinity	443
23.1.5.	Desertification	446
23.1.6.	Waterlogging	446
23.1.7.	Water Erosion	447
23.1.8.	Wind Erosion	450
23.2.	Addressing Land Degradation and Desertification.....	450
23.2.1.	Soil Conservation	450
23.3.	United Nations Convention to Combat Desertification (UNCCD)	455
23.3.1.	Land Degradation Neutrality (LDN) initiative	455
23.3.2.	UNCCD CoP-14 in New Delhi	456
23.3.3.	UNCCD Global Land Outlook Report.....	457
23.3.4.	Desertification from Conservation Perspective.....	458
23.4.	Desertification Setting in Across a Quarter Of India	459
23.4.1.	Regional causes behind desertification and degradation.....	459
23.4.2.	The case of Goa	459
23.4.3.	Desertification in cold areas	460
23.4.4.	India lost 31% of grasslands and 19% of common lands in a decade.....	460
23.4.5.	State of India's Environment (SoE) Report 2019	460
23.5.	Bonn Challenge	461
23.5.1.	India and Bonn Challenge, Paris Agreement	461
23.5.2.	Meeting targets through Compensatory Afforestation.....	461

24. Global Warming and Climate Change463

24.1.	Greenhouse effect and Global Warming	463
--------------	---	------------

24.1.1. Greenhouse Effect	463
24.1.2. Importance of Natural Greenhouse Effect	463
24.1.3. Natural vs. Human Induced Greenhouse Effect	464
24.1.4. How do Scientists' Study Past Global Warming and Climate Changes Events?	465
24.2. Greenhouse Gases (GHGs) and Global Warming	466
24.2.1. Global Warming Potential (GWP) & Lifetime of Green House Gases	466
24.2.2. Carbon Dioxide	467
24.2.3. Ozone	467
24.2.4. Water Vapour	468
24.2.5. Methane	469
24.2.6. Nitrous Oxide (N ₂ O)	469
24.2.7. Black Carbon (Soot)	470
24.2.8. Fluorinated Gases	470
24.2.9. Carbon Monoxide	471
24.3. Carbon Footprint	471
24.3.1. Carbon Footprint of various Sectors	472
24.3.2. State Wise Carbon Emissions in India	472
24.4. Climate Sensitivity	473
24.4.1. Feedbacks Drive Uncertainty	473
24.5. International Energy Agency (IEA) World Energy Outlook 2021 Report	475
24.5.1. India Energy Outlook 2021	475
24.5.2. International Energy Agency (IEA)	475
24.6. UNEP Emissions Gap Report 2020	476
24.6.1. Findings from the Emission Gap Report 2020 on key aspects	476
24.6.2. Solutions	476
24.6.3. Climate Change Performance Index (CCPI) 2021	476
24.7. Intergovernmental Panel on Climate Change (IPCC)	477
24.7.1. IPCC Assessment Reports (AR)	477
24.7.2. Special Reports on Global Warming of 1.5 °C (SR1.5 – October 2018)	478
24.7.3. Special Report on Climate Change and Land (SRCCL – August 2019)	478
24.7.4. IPCC Special Report on the Ocean and Cryosphere in a Changing Climate (SROCC)	478
24.7.5. What is Carbon Budget?	480
24.7.6. Land use patterns and climate change	480

25. Impact of Global Warming481

25.1. Increased Frequency and Severity of Heatwaves	481
25.1.1. Heat Wave	481
25.1.2. Urban Heat Islands	481
25.1.3. Heat Domes	483
25.1.4. Effects of Heat Wave	484
25.2. Marine Heat Waves	484

25.2.2. IPCC Special Report on the Ocean and Cryosphere in a Changing Climate (SROCC) on Marine Heat Waves	485
25.3. Increased Incidence of Wildfires	487
25.3.1. Australia’s Bushfires are Getting Severe.....	487
25.3.2. Wildfires and Zombie Fires Have Reached the Tundra Region.....	488
25.4. Shrinking Cryosphere	489
25.4.2. Consequences of Shrinking Cryosphere (Glaciers)	489
25.4.3. New Sea Routes in The Arctic region	490
25.5. Sea Level Change	491
25.5.1. Processes that cause Change in Sea Level	491
25.5.2. Changes in Global Sea Level	492
25.5.3. Importance of understanding Sea Level Changes.....	492
25.5.4. Sea Level Rise and Coastal Flooding due to Global Warming.....	493
25.5.5. Vulnerable areas in India	493
25.5.6. Regional Sea Level Rise (SLR).....	494
25.5.7. Small Island Developing States (SIDS) are the Biggest Losers.....	495
25.6. Tropical Cyclones are Becoming More Severe	496
25.6.1. Unusual Timing & High Frequency	497
25.6.2. The number and intensity of tropical cyclones is increasing in the Arabian Sea.....	497
25.7. Deterioration of Carbon sinks	498
25.7.1. Carbon Dioxide Fertilization	498
25.7.2. Carbon Dioxide Fertilization is increasing carbon sink on land	499
25.8. Climate Migrants	499
25.8.1. World Risk Index (WRI) 2020	500
25.9. Other Impacts.....	500
25.9.1. Economic Losses	500
25.9.2. Ocean Deoxygenation.....	501
25.9.3. Biodiversity Loss	502
25.9.4. Food and Health Security at Risk.....	502

26. Climate Change Mitigation.....503

26.1. Clean coal technology to reduce CO₂ Emissions	503
26.1.1. India’s coal.....	503
26.2. Carbon capture and storage	503
26.3. Carbon Sink and Carbon Sequestration.....	504
26.3.1. Carbon Sink vs Carbon Source	504
26.3.2. Carbon sequestration	504
26.3.3. Forests as carbon Sinks.....	505
26.3.4. Oceans as Carbon Sink.....	505
26.4. Geoengineering to Fight Climate Change	506
26.4.1. Solar Radiation Management (SRM) or Solar Geoengineering	507

26.4.2. Greenhouse Gas Removal (GGR) or Carbon Geoengineering.....	508
26.4.3. Forests for Carbon Geoengineering.....	508
26.4.4. Artificial snow	508
26.5. Transition Away from Coal	509
26.5.1. Current phaseout efforts	509
26.5.2. Barriers to Phasing Out Coal Power.....	509
26.6. Climate Smart Cities	510
26.6.1. Measures Required to Reduce the Heat-Retaining Nature of Cities	511
26.6.2. Cooling Singapore – A Case Study	512
26.6.3. Measures Taken in India.....	514
26.7. Transition to Green Economy	516
26.7.1. Measures to Adapt Green Economy.....	516
26.7.2. Green Contracts.....	517

27. International Environmental Conferences, Conventions, NGOs and Laws – Part I 518

27.2. United Nations Conference on the Human Environment (1972).....	518
27.2.1. Stockholm Declaration.....	518
27.3. United Nations Environment Programme (UNEP) or UN Environment.....	519
27.3.1. Agencies Established/Monitored/Supported/Implemented by UNEP	519
27.3.2. Global Environment Facility (GEF)	520
27.3.3. Multilateral Fund (MLF) for the Implementation of the Montreal Protocol	522
27.3.4. Faith for Earth Initiative.....	522
27.4. UNCED or Earth Summit 1992, Rio De Janeiro Brazil	522
27.4.1. Post UNCED.....	523
27.4.2. Significance of Earth Summit 1992	523
27.4.3. High-level Political Forum on Sustainable Development (HLPF)	524
27.4.4. UN Agenda 21	524
27.4.5. UN Agenda 2030 – Sustainable Development Goals (SDGs)	525
27.4.6. The History of Sustainable Development Goals	527
27.5. United Nations Framework Convention on Climate Change (UNFCCC)	529
27.5.1. Conferences of the Parties (COP) to UNFCCC.....	529
27.5.2. Criticisms of the UNFCCC (Failures of UNFCCC).....	530
27.6. Kyoto Protocol (COP 3; UNFCCC Summit 1997)	531
27.6.2. What is Common but Differentiated Responsibilities (CBDR) – Kyoto Protocol?.....	531
27.6.3. Classification of Parties and their commitments – Kyoto Protocol	532
27.6.4. What is Commitment Period? Doha Amendment to Kyoto Protocol.....	533
27.7. Flexible Market Mechanisms Under Kyoto Protocol	534
27.7.2. Clean Development Mechanism (CDM)	535
27.7.3. Carbon Credits Trading (Carbon Trading/Emission Trading)	535
27.7.4. Joint Implementation (JI) – Kyoto Protocol	536

27.7.5. Non-Compliance of Kyoto and Penalties	536
27.7.6. Issues with the Flexible Market Mechanisms (Carbon Markets).....	537
27.7.7. Proposed: Carbon Tax as An Alternative to Carbon Trading	537
27.7.8. India Has a Carbon Tax of Sorts	539

28. International Environmental Conferences, Conventions, NGOs and Laws – Part II 541

28.1. Important UNFCCC Summits Post Kyoto.....	541
28.1.1. Summits Prior to Paris	541
28.1.2. Summits Post Paris	543
28.2. Paris Climate Change Conference 2015 (COP 21; CMP 11).....	544
28.2.1. Paris Agreement	544
28.2.2. Climate Neutral Now	545
28.2.3. China-U.S. Deal on Emission Cuts and Pressure on India	547
28.3. Net Zero Emissions & Carbon Neutrality.....	547
28.3.1. How Can Net Zero Emissions Be Achieved?	549
28.3.2. European Green New Deal	550
28.3.3. India’s Objection to Net Zero.....	550
28.4. Intended Nationally Determined Contributions (INDC).....	551
28.4.1. The main points of contention on INDCs.....	551
28.4.2. India’s INDC objectives	552
28.4.3. Money required to meet India’s INDC.....	553
28.5. Others	553
28.5.1. UN-REDD and REDD+	553
28.5.2. Forest Carbon Partnership Facility.....	555
28.5.3. BioCarbon Fund Initiative	555
28.5.4. Climate and Clean Air Coalition (CCAC)	555
28.5.5. Global Climate Change Alliance + (GCCA+).....	556
28.5.6. Global Alliance for Climate-Smart Agriculture (GACSA)	556
28.5.7. GHG Protocol	556
28.5.8. Arctic Council	557

29. National Environmental Legislation – Part I 560

29.1. Pollution Related Laws	560
29.1.1. The Water (Prevention and Control of Pollution) Act of 1974 and Amendment, 1988	560
29.1.2. The Water (Prevention and Control of Pollution) Cess Act of 1977	561
29.1.3. The Air (Prevention and Control of Pollution) Act of 1981 and amendment, 1987	561
29.2. Environment (Protection) Act of 1986 (EPA, 1986)	562
29.2.1. The Objectives of EPA	562
29.2.2. The main provisions of the Act	562
29.2.3. Rules for Hazardous Microorganisms/Genetically Engineered Organisms or Cells 1989.....	564
29.2.4. National Ganga Council or NRGBA	564

29.3.	Environmental Impact Assessment (EIA)	566
29.3.1.	EIA Process and Procedures.....	567
29.3.2.	Composition of the expert committees for EIA	569
29.3.3.	Benefits of EIA.....	569
29.3.4.	Shortcomings of Environmental Impact Assessment	570
29.3.5.	Recommendations to improve EIA process.....	571
29.3.6.	Salient Features of 2006 Amendment to EIA Notification.....	572
29.3.7.	EIA 2020 Notification Draft.....	573
29.3.8.	Issues with Draft EIA 2020	574
29.4.	Wild Life (Protection) Act of 1972 (WPA, 1972)	574
29.4.2.	Amendments	577
29.4.3.	Delineation of Powers under the Act	577
29.4.4.	Central Zoo Authority (CZA).....	578
29.4.5.	National Board for Wildlife (NBWL).....	578
29.4.6.	Wildlife Advisory Board (State Board for Wildlife – SBWL)	579
29.5.	Indian Forest Act 1927 (IFA, 1927)	580
29.5.1.	Reserve Forest	580
29.5.2.	Protected Forest	580
29.5.3.	Village Forest	581
29.5.4.	Criticism	581
29.5.5.	Draft Indian Forest Act, 2019.....	581
29.6.	Forest (Conservation) Act of 1980	582
29.6.1.	Are Forests That Are Not Notified Protected Under Forest Act?	582
29.6.2.	Development vs Conservation.....	582
29.7.	Biodiversity Act 2000	583
29.7.1.	Salient features of the biodiversity legislation	584

30. National Environmental Legislation – Part II..... 586

30.1.	Forest Rights Act, 2006 (FRA 2006)	586
30.1.1.	Salient Features	586
30.1.2.	Critical Wildlife Habitats (CWH).....	587
30.1.3.	Community Forest Resources Guidelines	589
30.2.	National Green Tribunal Act, 2010	590
30.2.1.	Members of NGT	590
30.2.2.	Jurisdiction.....	590
30.2.3.	Powers	590
30.2.4.	Principles of Justice adopted by NGT.....	591
30.2.5.	Success of NGT.....	591
30.2.6.	Challenges faced by NGT	592
30.3.	Coastal Regulation Zone (CRZ) Rules	593
30.3.1.	Coastal Regulation Zone (CRZ) Rules 2011	593

30.3.2. CRZ Rules 2019	595
30.3.3. Draft Integrated Coastal Zone Management.....	596
30.3.4. Activities Permitted in the CRZ of Certain Beaches	597
30.3.5. Issues with the way the CRZ rules are executed.....	600
30.3.6. What activities are permitted in the CRZ of certain beaches?	601
30.4. Laws to Protect Against Chemical Disasters in India	602
30.4.1. State of Chemical Disaster Risk in India.....	602
30.4.2. Strict vs Absolute Liability Principle.....	603
30.5. Pesticide Regulatory Regime in India	604
30.5.1. Pesticides Management Bill 2020.....	604
30.5.2. There is a near total collapse of pesticide regulation mechanism in India.....	605
31.2. India's National Action Plan on Climate Change (NAPCC)	607
31.2.1. National Solar Mission (JNNSM)	607
31.2.2. National Mission for Enhanced Energy Efficiency (NMEEE)	609
31.2.3. National Mission on Sustainable Habitat.....	614
31.2.4. National Water Mission (NWM) Mission.....	615
31.2.5. National Mission for Sustaining the Himalayan Ecosystem (NMSHE)	615
31.2.6. National Mission for A Green India (Green India Mission)	616
31.2.7. National Mission for Sustainable Agriculture (NMSA).....	617
31.2.8. The National Mission on Strategic Knowledge for Climate Change (NMSKCC)	619
31.2.9. National Bio-Energy Mission.....	619

32. Green Revolution, Sustainable and Modern Agricultural Practises 620

32.1. India's First Green Revolution.....	620
32.1.1. Introduction of High Yielding Varieties (HYV)	620
32.1.2. Use of Chemical Fertilizers and Pesticides.....	620
32.1.3. Mechanization of Agriculture	621
32.1.4. Irrigation	621
32.2. Second Green Revolution for Sustainable Livelihood	621
32.2.1. Need for the Second Green Revolution	621
32.2.2. What We Want from Second Green Revolution.....	622
32.2.3. Bringing Green Revolution in Eastern India (BGREI).....	622
32.2.4. Making Second Green Revolution a Success	623
32.3. The Concept of Sustainable Agriculture	623
32.4. Zero-Budget Natural Farming (ZBNF)	624
32.4.1. Components of ZBNF	625
32.4.2. Other Sustainable Practises for ZBNF & Agriculture in General	626
32.5. Organic Farming	629
32.5.1. The Present Status of Organic Farming in India.....	630
32.5.2. Initiatives to promote Organic Farming in India.....	630
32.5.3. Large Area Certification	632

32.5.4. Summary.....	633
32.5.5. Bio-Fertilizers are a Key Aspect of Organic Farming.....	634
32.6. Modern Agricultural Practices.....	638
32.6.1. Precision Farming for Productivity and Sustainability.....	638
32.6.2. Protected Cultivation of Horticulture Crops.....	642
32.6.3. Genetically modified crops (GM Crops or Biotech Crops).....	646
32.6.4. Various Agricultural Activities and Revolutions in Agriculture.....	650
33. Sources of Energy.....	652
33.1. Conventional and Non-Conventional Sources of Energy.....	652
33.1.1. India Energy Outlook 2021.....	652
33.1.2. Major Energy Sources.....	653
33.1.3. Calorific Value of Various Sources of Energy.....	656
33.2. Solar Energy.....	656
33.2.2. International Solar Alliance.....	657
33.2.3. One Sun One World One Grid (OSOWOG).....	659
33.3. Steps taken by India to increase the share of Solar Energy.....	659
33.3.1. PM-KUSUM Scheme.....	660
33.3.2. Rooftop Solar (RTS) Programme.....	660
33.3.3. National Programme on Solar PV Modules.....	661
33.3.4. National Wind-Solar Hybrid Policy.....	661
33.4. Biofuel.....	662
33.4.1. Generations of Biofuel.....	662
33.4.2. Advantages of Biofuels.....	665
33.4.3. Disadvantages of Biofuels.....	666
33.5. Evolution of Indian Biofuels.....	667
33.5.1. National Policy on Biofuels 2018.....	668
33.6. Some Important Biofuels.....	670
33.6.1. Bioethanol.....	670
33.6.2. Biobutanol.....	670
33.6.3. Biodiesel.....	671
33.6.4. Biogas.....	672
33.7. Hydrogen Economy.....	673
33.7.1. How Hydrogen Fuel Cells Work?.....	673
33.7.2. Advantages of Hydrogen as Fuel.....	674
33.7.3. Disadvantages of Hydrogen as Fuel (Hydrogen is clean but its production is not).....	674
33.7.4. Current Status of Hydrogen Economy in India.....	675
33.8. Cleaner Fuels.....	677
33.8.1. Methanol.....	677
33.8.2. Liquefied Petroleum Gas (LPG).....	678

33.8.3. Liquefied Natural Gas (LNG)	678
33.8.4. Compressed Natural Gas (CNG).....	678
33.8.5. Biogas.....	679
33.9. Indian Renewable Energy Development Agency (IREDA)	679
33.9.2. Challenges Faced in Renewable Energy Sources	680

34. Water Conservation 682

34.1. Difference between Water Scarcity, Water stress and Water risk.....	682
34.2. India's Water Situation.....	683
34.2.1. Per-Capita water situation.....	683
34.2.2. India's groundwater situation.....	683
34.3. List of measures by the Central Government	685
34.3.1. Central Ground Water Board (CGWB)	686
34.3.2. Central Water Commission.....	687
34.3.3. National Aquifer Mapping & Management Programme (NAMMP)	688
34.3.4. Atal Bhujal Yojana (ATAL JAL)	688
34.3.5. Failure of Jal Shakti Abhiyan.....	689
34.3.6. Jal Jeevan Mission (JJM)	689
34.3.7. BIS – Drinking Water Standards.....	691
34.3.8. National Hydrology Project (NHP)	692
34.4. Recommended Measures	693
34.4.1. Clean water sanctuaries	693
34.4.2. Sponge City Concept.....	693
34.5. Droughts.....	694
34.5.1. What is Drought?.....	694
34.5.2. International Efforts for Drought Management	695
34.5.3. Drought Management in India	695
34.5.4. Way forward	696
34.5.5. Measures Required for Water Conservation.....	697
